### **Guidelines**

*There a limited number of scholarships available and will be selected based on the information presented within the application.*

*To qualify, schools should be considered low income – based on population.*

*Scholarships will be limited to one per classroom, per year.*

*Applications should be submitted no less than one month prior to the potential date that you wish to visit. To submit your application, e-mail to [operations@edwardsvillechildrensmuseum.org](mailto:operations@edwardsvillechildrensmuseum.org) or mail to the museum address below.*

If selected for a Field Trip Scholarship - your class would be invited to visit the museum, on an agreed upon date, for a FREE Workshop Field Trip. Our Workshop Field Trips are instructed by licensed educators. During a Workshop Field Trip, your class will learn from a forty-five minute presentation on your choice of theme, selected from our offerings prior to your visit; the remaining time will be spent on museum exploration, allowing each child to immerse themselves in our interactive exhibits.

Should you have any questions, or would like to check on the status of your application, please e-mail Lindley White at [operations@edwardsvillechildrensmuseum.org](mailto:operations@edwardsvillechildrensmuseum.org).
